Mabel Poblet, born in 1986, is a young female artist who creates contemporary art works using various methods such as photography, mixed media, video art, kinetic art, and performance art. She draws on her own experiences of identity and connection with the world as a young person growing up in the socialist Cuba of Fidel Castro. Through her work, she shares her own experiences with her viewers and asks questions by telling the story of contemporary Cuban society and the world.

本展は、ポブレットの大切な創作テーマである「水」と「海」を、多彩な表現を通して体感できる展覧会。「海」は、ともに島国であり、海と共存するキューバと日本の共通点を示すモチーフとしても用いられている。例えば海を渡り国境を越える移民は、キューバ社会において身近な現象であり、ポブレットの作品でも重要な役割を担う。彼女は、そんな海について良し悪しを判断することなく、観察し、語りかけている。

移民をテーマにした「Homeland」シリーズの他には、人間の儚さを考察し、ピラミッド型の折り紙で構成された「My Autumn」シリーズ、旅先で撮影した写真のイメージを断片化・再構成した「Travel Diary」シリーズに加え、映像作品『SUBLIMATION』など写真や映像、インスタレーションで表現した新作34点が展示される。
